

## **Asbestos Management Plan and Pesticide Notification Registry**

An Asbestos Management Plan for Burriss Laboratory School (including the athletic facilities used in Ball Gym) is required by the Environmental Protection Agency under existing federal law. This plan is on file with the appropriate agencies. Federal Law requires that parents be notified that the plan is also on file in the office of the Principal and may be viewed by anyone who is interested.

Indiana Code (357 IAC 1-16.8) requires that parents, guardians, and staff be invited to be added to a pesticide notification registry on an annual basis. If you are interested in being added to our notification registry, please contact Mrs. Susan Adair at 285-8065, or stop in the main office.
