Living Proof Crash Reenactment: May 1st & May 2nd

The annual “**Living Proof**” crash reenactment is back for another year. This event will be available two evenings from 6:00-8:30pm on Wednesday, May 1st and again on Thursday, May 2nd at Muncie Central High School.

April is Alcohol Awareness Month, and **Living Proof** illustrates the dangers of underage drinking and impaired driving. This is especially important during the increased celebrations of spring’s parties, proms and graduations.

Living Proof is free and open to the public for parents and youth over the age of 13. Delaware County PRIDE Team members from your school will be portraying teens impacted by underage drinking and impaired driving. There are many police and fire department personnel, prosecutors, judges, attorneys, EMS staff and other agencies all volunteering their time to encourage Delaware County youth not to drink and especially not to drink and drive.

We hope you will promote this reenactment to your student body. **If teachers or coaches want to offer extra credit for attending, we have a flyer that students can get signed after going through the event.**

Living Proof School Announcement:

Students, did you know that April is Alcohol Awareness Month? Have you heard of the annual Living Proof crash reenactment that occurs every year at Muncie Central? Living Proof illustrates the dangers of underage drinking and especially drinking and driving during spring’s parties, prom and graduation. There are several of your classmates from the Delaware County PRIDE Team who will be participating in this event. Mark your calendars because this year’s Living Proof crash reenactment will be Wednesday, May 1st and Thursday, May 2nd from 6:00pm-8:30pm at Muncie Central High School. This is a free event and open to the public for parents and youth over the age of 13. Hope to see you there!
