INDIANA'S 21ST CENTURY SCHOLAR SUCCESS GUIDE 10

I PLEDGE to graduate with a minimum of a Core 40 diploma from a state-accredited Indiana high school. I will complete the Scholar Success Program in high school and in college that will help me stay on track for college and career success. I will achieve a cumulative high school GPA of at least 2.5 on a 4.0 scale. I will not use illegal drugs or alcohol or commit a crime or delinquent act. I will apply for admission to an eligible Indiana college my senior year and apply on time for student financial aid. I aim **TO SUCCEED.**

## SCHOLAR PARENTS.

YOU WANT THE BEST for your child, and you understand that completing education beyond high school will give him or her more opportunities, higher earnings and a better quality of life. Every year the 21st Century Scholarship makes it possible for thousands of young Hoosiers to dream big, afford college and achieve their goals.

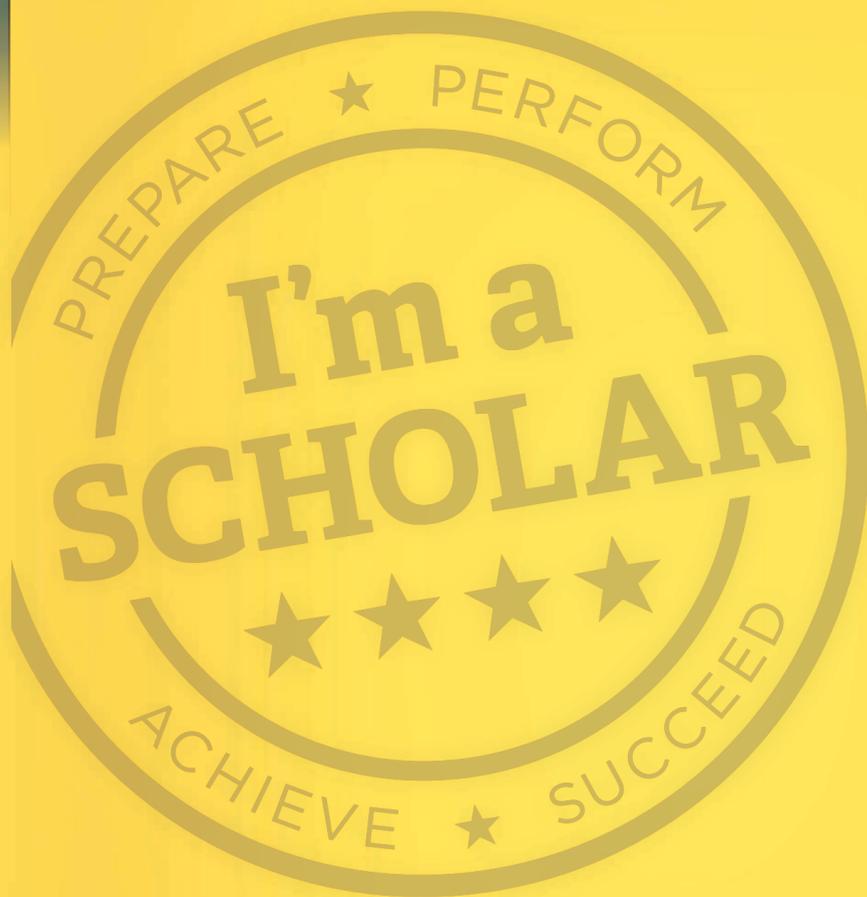

Indiana is equally committed to helping **Scholar parents and other adults** get the resources they need to get ahead, too.

### WE'VE GOT YOUR BACK SO YOU CAN MOVE FORWARD.

Your Next Step is here to support Hoosiers like you. Whether you need help finding a job, learning new skills, furthering your education or securing emergency aid to get back on your feet, Your Next Step starts here. Visit [YourNextStepIN.org](http://YourNextStepIN.org) to connect to:

- **EMPLOYMENT OPPORTUNITIES:** Engage with resources to find a new job, explore new careers and get advice from career coaches ready to help you navigate your next step.
- **EDUCATION AND TRAINING:** Learn about opportunities to complete your high school diploma or earn a short-term certificate or college degree, including the Next Level Jobs Workforce Ready Grant, which pays full tuition for short-term, high-value certificates in: Advanced Manufacturing; Building and Construction; Health and Life Sciences; Information Technology and Business Services; and Transportation and Logistics. To learn more about qualifying programs, visit [NextLevelJobs.org](http://NextLevelJobs.org) today.
- **OTHER SUPPORT:** Connect to resources to assist you and your family with unemployment insurance, healthcare access, local childcare, food assistance, housing support and more.

**Whether Hoosiers are ready to start a new career, looking to advance their education or skills, or are seeking basic financial help and support, Indiana has their back so they can move forward. Connect to resources at [YourNextStepIn.org](http://YourNextStepIn.org).**

Dear Student,

**Congratulations!** You're now in your sophomore year of high school — one step closer to college and career success.

Now's the time to build on the groundwork you laid during your freshman year to continue planning for college and your future career.

As a 10th-grader, you must complete three activities as part of the Scholar Success Program that you began as a freshman to help you stay on track with your 21st Century Scholarship. You will take a **career interests assessment**, **gain workplace experience** and **estimate the college costs** to learn about what will and will not be covered by your 21st Century Scholarship.

In addition to these activities, there are other things you can do now to help you prepare.

- ✓ **Explore different career fields.** Focus on learning more about different types of careers and how they may connect with your interests and skills. Seek opportunities to talk to professionals in career fields you'd like to explore more about. They can help you understand the daily tasks and responsibilities required by the job, as well as the education you would need to work in those fields.
- ✓ **Continue working hard in school.** Stay on the path to success by earning at least a 2.5 grade point average (GPA), taking challenging coursework and involving yourself in extracurricular and service activities at school and in your community. You should also take the Preliminary SAT, or PSAT, which is free for all Indiana sophomores, to help you prepare for college admissions exams in 11th grade.
- ✓ **Learn more about financial aid.** Remember that your 21st Century Scholarship only covers tuition and mandatory fees, so it's important to plan for other expenses, like housing and meal plans. Talk with your parents or guardians and school counselors to explore additional financial aid options and other scholarships that might be available to you.

And remember: As a 21st Century Scholar, you have committed to the Scholar Pledge to meet academic requirements, complete the Scholar Success Program, and remain drug- and crime-free during high school and college.

This program guide will help you complete your required 10th-grade activities so you can stay on track toward graduating high school and succeeding in college and your future career.

Have a great school year!

## TIPS TO HELP YOUR STUDENT SUCCEED.

There are many ways you can help your child succeed in high school and prepare for college success:

- Review classwork and homework with him or her nightly.
- Regularly review online grades and progress reports.
- Meet with teachers and counselors to discuss progress or any concerns.
- Identify a quiet place at home to study.
- Develop a daily homework schedule.
- Talk about college and career plans.

SO, HOW'S THE HOMEWORK GOING TONIGHT?

OK. BUT I AM REALLY STUCK ON THIS MATH PROBLEM. DO YOU HAVE A MINUTE?

*High school is a crucial time in your child's education — so your help and support mean a lot. As a 21st Century Scholar, your child must successfully complete the Scholar Success Program.*

### *What is the Scholar Success Program?*

The Scholar Success Program helps students in high school and in college as they prepare for college and career success and stay on track to earn and maintain the 21st Century Scholarship, which helps pay tuition, or the cost of attending classes, at Indiana colleges. In high school, each grade level has three activities, outlined in the chart on the next page, that should be completed by June 30 of that school year. Scholars must complete the specific steps and track their progress online using ScholarTrack.

### *What is ScholarTrack?*

ScholarTrack is the one-stop-shop for Hoosiers' state financial aid needs. Scholars use ScholarTrack to track their completion of the Scholar Success Program. Learn more about creating a ScholarTrack account on page 5. To track activities in ScholarTrack, Scholars should select "Scholar Success Program" under the "State Aid Resources" tab on their dashboard. ScholarTrack is available at **ScholarTrack.IN.gov**.

### *How can I help my Scholar?*

First, read through this guide with your Scholar and help him or her put a plan together for finishing this year's activities. Then check out **Scholars.IN.gov**. Here, you'll find information about each grade level, and a list of partners that can help your child succeed. Plus, you can log in to ScholarTrack with your child and check his or her progress together.

# 21st CENTURY SCHOLAR PLEDGE REQUIREMENTS

As a 21st Century Scholar, you have taken the Scholar Pledge to meet the following requirements:

- ✓ Complete the Scholar Success Program in high school and in college, which includes activities each year to help you stay on track for college and career success. The chart below shows the 12 activities that you must complete by high school graduation.
- ✓ Graduate from a state-accredited high school with a minimum of a Core 40 diploma and a cumulative grade point average (GPA) of at least 2.5 on a 4.0 scale.
- ✓ File the Free Application for Federal Student Aid (FAFSA) by April 15 as a high school senior and each year thereafter until you graduate from college.
- ✓ Apply to an eligible Indiana college as a high school senior, and enroll in college as a full-time student within one year of high school graduation.
- ✓ Maintain Satisfactory Academic Progress (SAP) standards established by your college.
- ✓ Complete 30 credit hours each year you are in college to stay on track toward earning your degree on time.
- ✓ Do not use illegal drugs, commit a crime or delinquent act, or consume alcohol before reaching the legal drinking age.

The **Scholar Success Program** includes activities that will help you stay on track for college and career success.

## SCHOLARTRACK

As you complete the 10th-grade Scholar Success Program activities, log in to your ScholarTrack account at **ScholarTrack.IN.gov** to confirm you've completed the requirements. If you haven't already created your ScholarTrack account and completed your 9th-grade Scholar Success Program activities, get started now so you don't fall further behind and risk losing your scholarship. Grade-level specific activities should be completed by June 30 of each year.

### *Keep your contact information updated*

Each year, you will receive information and resources to help you stay on track. Keep your mailing address, email address and phone number up to date to make sure you don't miss anything. If your contact information changes at any point, log in to your ScholarTrack account and make the necessary updates.

### *Don't have a computer?*

If you do not have a computer with internet access at home, use a computer at school, a public library or a friend's house. Or talk to your school counselor, parents or teachers for help finding a computer with internet access. ScholarTrack is also available on your smartphone, too.

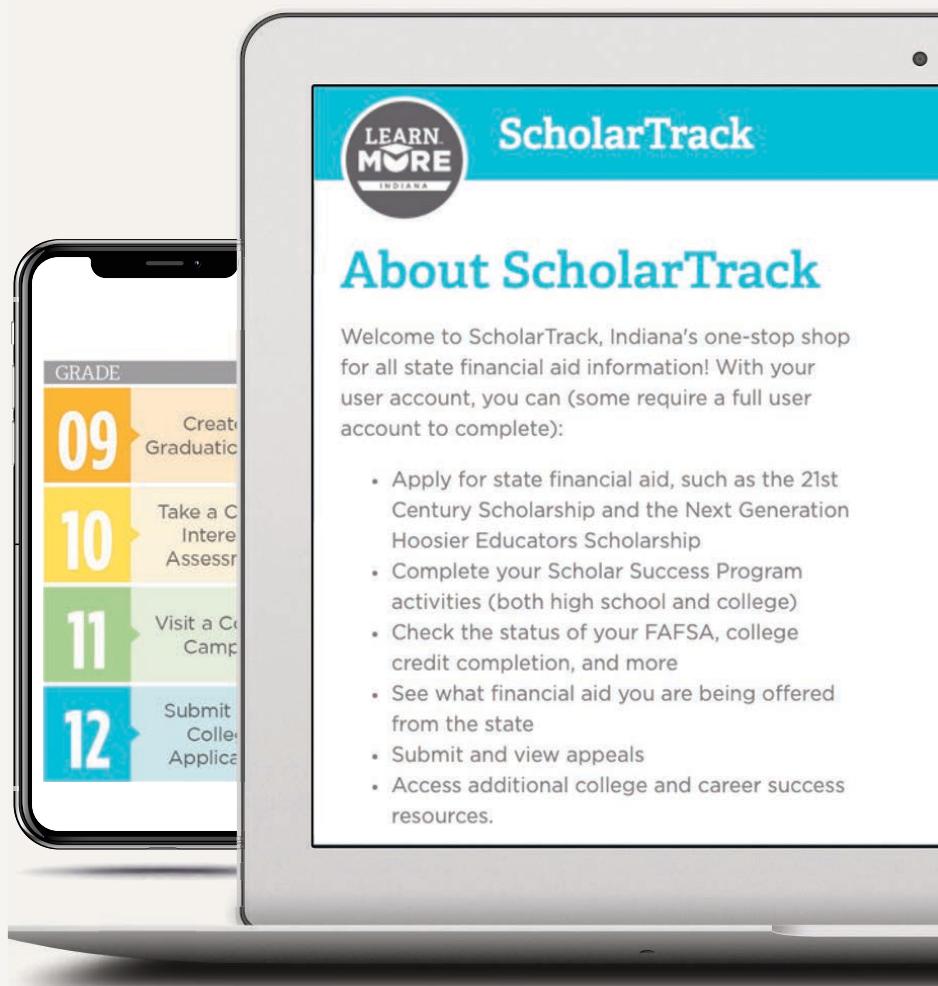

# STAY ON TRACK WITH SCHOLARTRACK!

# GET STARTED

at [ScholarTrack.IN.gov](http://ScholarTrack.IN.gov)

## GET STARTED

Go to **ScholarTrack.IN.gov**. Register for an account and select “I am a student.” Students should be prepared to enter their name, date of birth, email address and Social Security Number (SSN) or Scholar ID.

## About ScholarTrack

Welcome to ScholarTrack, Indiana's one-stop shop for all state financial aid information! With your user account, you can (some require a full user account to complete):

- Apply for state financial aid, such as the 21st Century Scholarship and the Next Generation Hoosier Educators Scholarship
- Complete your Scholar Success Program activities (both high school and college)
- Check the status of your FAFSA, college credit completion, and more
- See what financial aid you are being offered from the state
- Submit and view appeals
- Access additional college and career success resources.

## CREATE AN ACCOUNT

Students can create a full or limited account. Full accounts, which require an SSN, grant access to all of ScholarTrack. Limited accounts, which require a Scholar ID, only grant access to the Scholar Success Program. Upgrade to a full account by adding an SSN at any time.

## START TRACKING

From the dashboard, select “Scholar Success Program” under the “State Aid Resources” tab and complete the required Scholar Success Program activities in each grade of high school.

## GRADE 10 CHECKLIST

### ***What steps must you take now to achieve your goals?***

If you're not sure, that's okay! That's the whole point of the Scholar Success Program: to guide you every step of the way as you stay on track for college and career success.

In 10th grade, your Scholar Success Program requirements will keep you on the right track as you take a career interests assessment, get workplace experience and watch the "Estimating Your College Costs" video.

On the next few pages, we'll walk you through each of the steps and direct you to resources to help you check them off your list and continue on your way to success!

### ***Take a Career Interests Assessment***

Find out how your interests and skills match up with specific career fields. Log in to your ScholarTrack account to access Indiana Career Explorer and take an assessment. See pages 8-9 for more information.

### ***Get Workplace Experience***

Learn more about career fields and specific careers that interest you through job shadowing, a part-time job or internship, or by interviewing a professional. See pages 10-11 for more information.

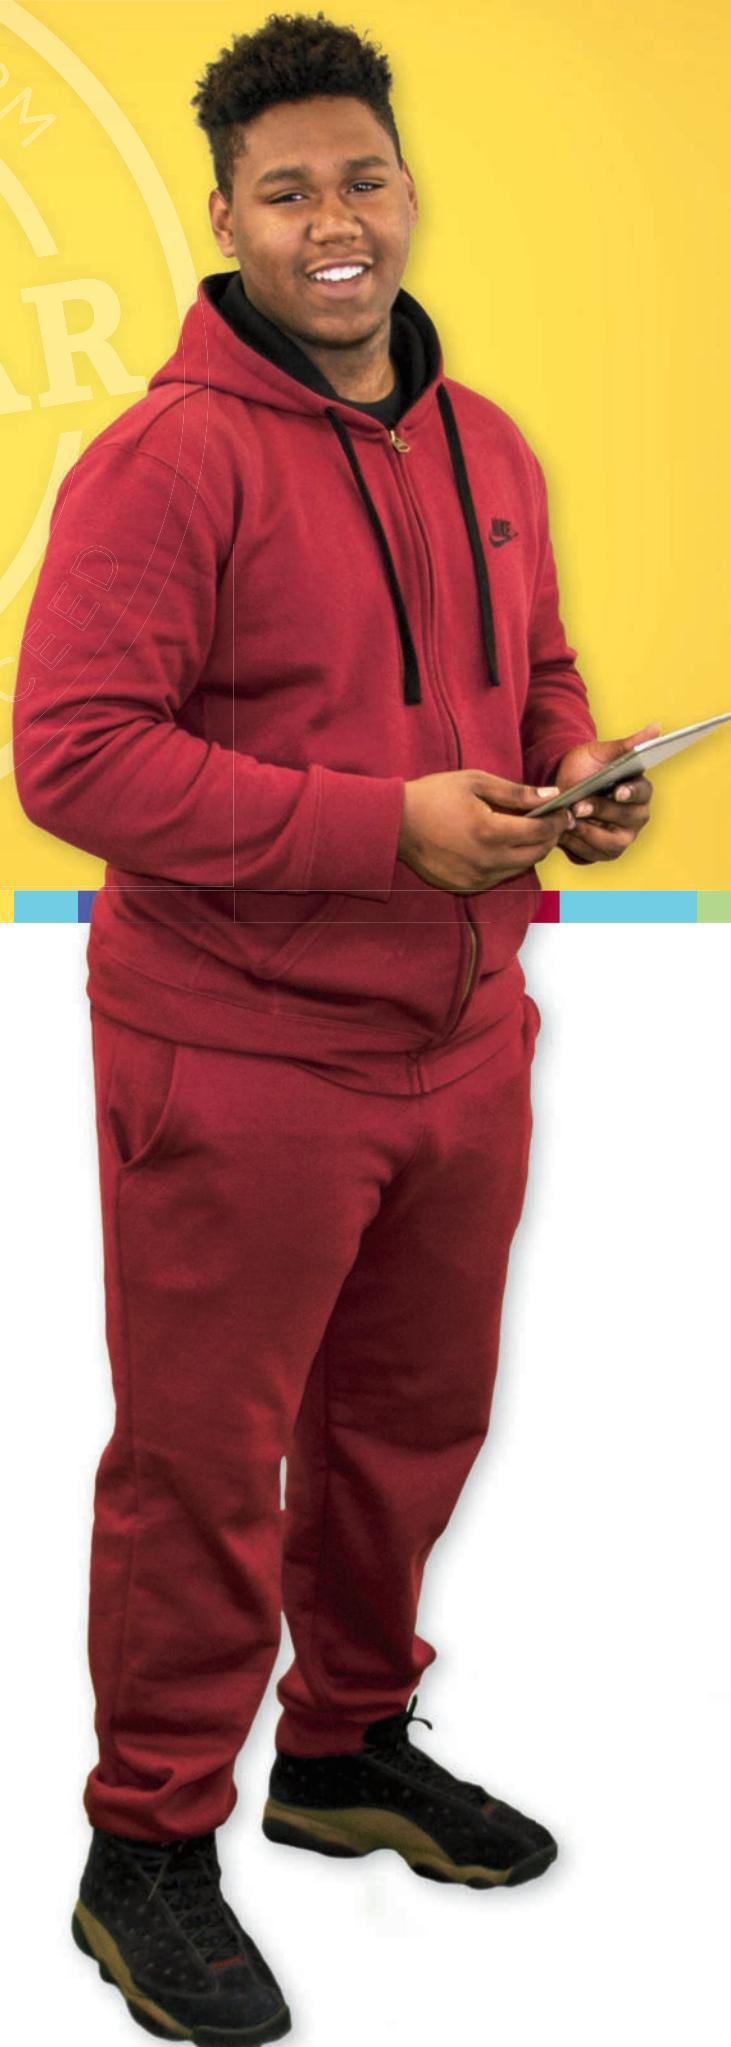

### ***Estimate the Costs of College***

Watch "Estimating Your College Costs" to learn how to calculate how much money you and your family may need to put toward your college education. See pages 12-13 for more information.

I'm really interested in attending Purdue University. I've always known I wanted a career in STEM, but once I started taking chemistry classes, I got interested in biochemistry.

***How is the 21st Century Scholars program helping you prepare for college?***

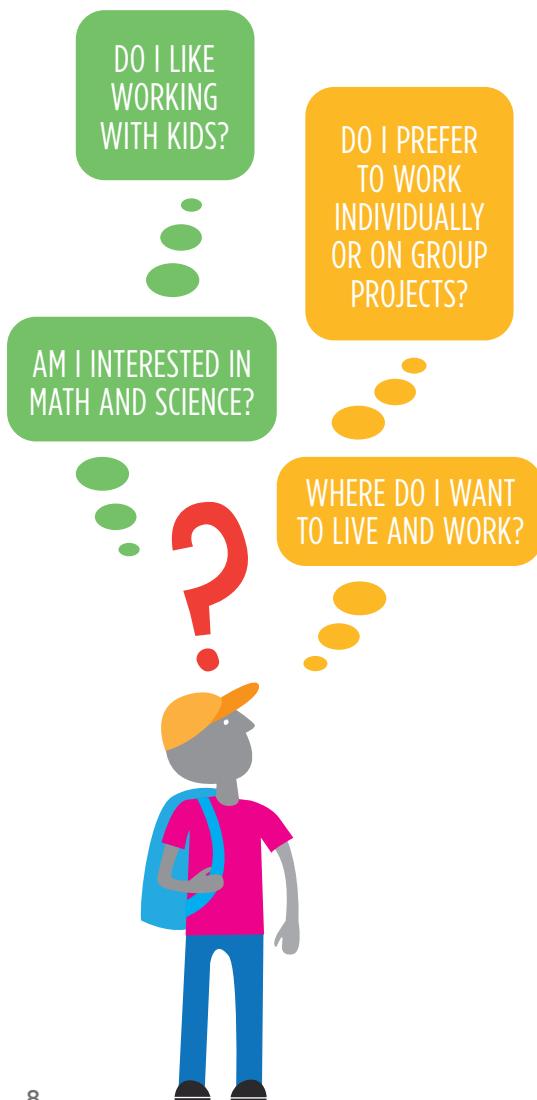

It helps me set goals. It also helps me look ahead. One year, a few of us got picked to visit various colleges in Indiana. We got to visit different buildings and the football field. It was nice to experience things I know I might experience in the future.

***What do you think is the biggest benefit of the Scholars program?***

With this scholarship you have the opportunity to meet new people and experience different activities and that can help you in the future.

# 10 Take a Career Interests Assessment

*This is an online tool that will ask you a series of questions to help you identify careers that align with your interests and goals. You might be surprised by what you learn about yourself!*

A career interests assessment will help you reflect on what kinds of activities you enjoy and what hobbies and interests you value most; it will also show you how to connect those interests to a job. The assessment can also help you understand what you may like to study in college and what things are important to you in a career. You may have already taken a career interests assessment with your counselor or in a class. If not, read on to find out how to take one.

### **Get started!**

- 1. THINK ABOUT YOUR INTERESTS AND SKILLS.** Before you take a career interests assessment, take a moment to consider what you like to do and what you are good at doing (and what others say you are good at doing).
- 2. LOG IN TO YOUR SCHOLARTRACK ACCOUNT.** Go to **ScholarTrack.IN.gov** and select “Scholar Success Program” under the “State Aid Resources” tab on your dashboard. Click on “Take a Career Interests Assessment” and review the information. Then, follow the steps to access Indiana Career Explorer. You should have created an account when you started your graduation plan as a freshman. If you’ve forgotten your username or password, follow the steps to retrieve your login information. If it’s your first time, follow the instructions to create an account.
- 3. TAKE THE CAREER INTERESTS ASSESSMENT.** Once you’re logged in to Indiana Career Explorer, there are three assessments available. To complete the requirement, take the assessment labeled “Career Interests Assessment.” You’re encouraged to complete all three questionnaires to get a better idea of what interests you, what you do well and what is important to you in a career.

GO TO [INDIANACAREEREXPLORER.COM](http://INDIANACAREEREXPLORER.COM).

### *What did you learn about yourself?*

Once you have an idea of what careers you may be interested in, take some time to research them. What type of education and training will you need? How long will you need to go to school? What sort of salary should you expect? What sort of schedule will you be expected to work? Visit [IndianaCareerReady.com/InDemandJobs](http://IndianaCareerReady.com/InDemandJobs) to start exploring!

### *Things may change*

Consider taking these assessments a few times throughout high school. With Indiana Career Explorer, you can retake the career interests assessment any time you want. Completing the questionnaires at each grade level will allow you to see if any of your interests, skills or work values have changed and if there are any other career directions you should consider.

For more information and resources to help you plan for college and career success, visit [LearnMoreIndiana.org/career](http://LearnMoreIndiana.org/career).

# 10 Get Workplace Experience

*You will gain a better sense of what a certain job or workplace is like, as well as valuable lessons about responsibility, time management and how to act in a professional environment.*

To complete this activity, you must participate in at least one workplace experience during 10th grade. There are different types of opportunities to pursue like job shadowing, an informational interview, an internship or a part-time job. Many of these opportunities can even be completed virtually. Talk to your school counselor about how to set up a virtual workplace experience.

## **Get started!**

Talk with your parents or guardians, teachers, school counselors or other adults who could help you connect to workplace experiences. You could also search for postings around your community center, at school or online.

If you have already taken your career assessment, you can look for opportunities that align with career fields you're interested in or allow you to use skills you enjoy. See page 11 for ideas to get you started.

## **Job shadowing**

Job shadowing involves spending a day, or part of a day, with someone who works in a career field you find interesting. Job shadowing gives you a chance to observe a professional on the job — performing everyday work tasks, interacting with colleagues and more.

## **Informational interview**

If you're not able to job shadow, schedule a brief informational interview with a professional in a field you're interested in instead. You will have an opportunity to ask questions, learn about the education and training needed for this career and what it's like to work in this field.

**JUGGLING WORK AND SCHOOL CAN BE TRICKY, BUT IT CAN ALSO BE VERY REWARDING.**

CHECK OUT THE JOB BOARD AT YOUR SCHOOL OR LOCAL COMMUNITY CENTER.

## Internship

An internship is a real-world experience related to your career interests and goals. An internship typically lasts a few months or more and provides hands-on involvement, allowing students to gain valuable on-the-job training and skills. Internships can range from several hours per week to full time and may be paid or unpaid. Visit [IndianaINTERN.net](http://IndianaINTERN.net) to start your internship search.

## Part-time employment

Part-time employment, whether or not it's related to your career interests, is valuable workplace experience that helps you save money for college. In addition to providing a paycheck, a job can teach you responsibility and time management and can help you explore career directions. Plus, an employer may provide you with a letter of recommendation when it comes time to apply to college or a future job.

Always keep in mind that you are a student first and schoolwork should be your number one priority. Learn more about your options at [LearnMoreIndiana.org/career/get-experience](http://LearnMoreIndiana.org/career/get-experience).

For more information about what you can do to prepare for college and a career, visit [LearnMoreIndiana.org/career](http://LearnMoreIndiana.org/career).

## COMPLETE THE REQUIREMENT!

Go to [ScholarTrack.IN.gov](http://ScholarTrack.IN.gov) and log in to your account to answer a few questions about your workplace experience.

## FIND CREATIVE WAYS TO GAIN CAREER EXPERIENCE:

### INTERESTED IN A CAREER AS A VETERINARIAN?

- Volunteer at an animal shelter
- Get a job at a doggy daycare
- Help a family friend tend to animals on his or her farm
- Set up a phone interview with your local veterinarian

### INTERESTED IN A CAREER AS A LANDSCAPE DESIGNER?

- Get a job at a garden center
- Job shadow your school's groundskeeper
- Start a lawn care business mowing neighbors' yards

### INTERESTED IN A CAREER IN SPORTS MEDICINE?

- See if you can assist a trainer for one of your school's teams
- Job shadow a trainer for a local professional team
- Get a job at a sporting goods store
- Ask your counselor about school alumni who are doctors and set up a phone call to find out what it's like

# 10 Estimate the Costs of College

*Watch the “Estimating Your College Costs” video to learn how to calculate how much money you and your family may need to contribute toward your college education.*

College may be more attainable than you think. The “Estimating Your College Costs” video will help you determine what college expenses you and your family should plan for.

The video will also show you how to use the College Scorecard, which is an online tool that can help you estimate how much you can expect to pay for college — the net cost. That is the difference between a college’s total or “sticker” price (tuition plus housing, books and supplies, transportation and other living expenses) minus any grants and scholarships — such as the 21st Century Scholarship.

## **Get started!**

Log in to your ScholarTrack account at **ScholarTrack.IN.gov**, select “Scholar Success Program” under the “State Aid Resources” tab and click the link for “Estimate the Costs of College.” Review the information and follow the steps to watch the video.

## **Compare college costs**

Once you’ve watched the video, consider using the College Scorecard at **CollegeScorecard.ed.gov** to estimate how much you can expect to pay at different Indiana colleges. On the homepage, select “Custom Search” and select “State” in the “Location” field to narrow your results to Hoosier schools. Make sure the college you’re looking at is an eligible college or university by checking this list: **Scholars.IN.gov/eligible-colleges**.

The Scorecard will ask you to estimate your household income, so ask your parent or guardian for help. Most profiles on the Scorecard will link you to a college’s net price calculator. To use this, locate the “Costs” dropdown menu on a college’s profile. Net price calculators estimate your Expected Family Contribution (EFC), which is an estimate that colleges use to determine how much financial aid you would be eligible to receive if you attended their school. This same calculation is used when students file a FAFSA (Free Application for Federal Student Aid) during their senior year to determine what need-based aid they are eligible to receive.

### Covering the additional costs of college

Consider ways to bridge the gap between what your grants and scholarships will cover and what you and your family will need to pay. Consider opening a bank account or tax-free Indiana CollegeChoice 529 Direct Savings Plan ([CollegeChoiceDirect.com](http://CollegeChoiceDirect.com)). Here are some ways to maximize your savings with a 529 Plan:

- **TAX BENEFITS.** Earnings on your investments and withdrawals for tuition, room and board, books, computers and other qualified expenses are tax-free. Indiana residents who contribute may also qualify for a 20% state tax credit of up to \$1,000 each year!
- **AUTOMATIC DEPOSITS.** It's quick and easy to set up a regular investment from a bank account or direct deposit from your paycheck. The minimum contribution is just \$10, and every dollar saved now is one not borrowed and repaid in the future.
- **GIFTING.** With Ugift, anyone can help save for a loved one's education expenses. Grandparents, other family members, and friends can give the gift of education for special occasions or whenever they want.

For more information about paying for college, visit [LearnMoreIndiana.org/cost](http://LearnMoreIndiana.org/cost).

### COMPLETE THE REQUIREMENT!

Go to [ScholarTrack.IN.gov](http://ScholarTrack.IN.gov) and log in to your account to answer a few questions that confirm you've watched the video.

## CAN YOU SOLVE THE EQUATION? A + B = \$EFC

EFC, or Expected Family Contribution, is an estimate that colleges use to determine how much financial aid you would be eligible to receive if you were to attend their school. Talk with your parents or guardians about what combination of savings and loans you will need to cover your additional expenses.

### ***How does being a 21st Century Scholar help you in school?***

It's helped me to be organized. It's also helped me understand the responsibilities of going to college, and it's given me a list of things I need to do to be prepared.

### ***How are you and your family preparing for college?***

My sister is a 21st Century Scholar and she's graduating college this year. That's really helping me understand what's coming up next. We talk about what college is going to be like. My family is really supportive of my college career.

### ***What advice do you have for other Scholars who are starting to prepare for college?***

Be persistent. Follow deadlines and do what you need to do so you'll be prepared for the future.

# RESOURCES

We know the road to college can be confusing, which is why Indiana has created this guide, as well as many other resources, to help you succeed in high school and prepare for college.

## ***School Counselors***

The first people you can turn to for help are your school counselors. They have been through the process before, helped many other students like you and can connect you to the assistance you need.

## ***Scholars.IN.gov***

The 21st Century Scholars website is a comprehensive resource for you and the Scholar Success Program. If you need more information about the program requirements discussed in this guide, visit **Scholars.IN.gov/students/high-school/#10th-grade**.

## ***Financial Aid Support Center: 888-528-4719***

Call the Financial Aid Support Center if you have any questions about your scholarship or the 21st Century Scholars program. Or you can email us at **Scholars@che.IN.gov**.

# FAQS

## ***How do I maintain the Scholar Pledge and keep my scholarship?***

To maintain eligibility for your scholarship, you must meet the following requirements:

- Complete the Scholar Success Program in high school and in college, which includes activities each year to help you stay on track for college and career success. High school activities should be completed by June 30 of your senior year.
- Graduate from a state-accredited high school with a minimum of a Core 40 diploma and a cumulative grade point average (GPA) of at least 2.5 on a 4.0 scale.
- File the Free Application for Federal Student Aid (FAFSA) by April 15 as a high school senior and each year thereafter until you graduate from college.
- Apply to an eligible Indiana college as a high school senior, and enroll in college full time within one year of high school graduation.
- Maintain Satisfactory Academic Progress (SAP) standards established by your college.
- Complete 30 credit hours each year you are in college to stay on track toward earning your degree on time.
- Do not use illegal drugs, commit a crime or delinquent act, or consume alcohol before reaching the legal drinking age.

## ***What should I do if I change schools or my contact information changes?***

It's important that you receive notifications and updates from the 21st Century Scholars program to make sure you're on track to complete the requirements in high school and in college. Update your information in your ScholarTrack account at [ScholarTrack.IN.gov](http://ScholarTrack.IN.gov).

## ***Do I have to file the FAFSA every year in high school?***

No. You must complete the FAFSA (Free Application for Federal Student Aid) during the year you graduate high school and each year thereafter until you graduate from college.

## ***If I graduate early, can I still use the 21st Century Scholarship?***

Yes. If you plan to graduate following your junior year, you need to notify your school counselor so he or she can inform the 21st Century Scholars program. You should complete all 12 high school Scholar Success Program activities, including filing the FAFSA by April 15 of your junior year. If you plan to graduate early, learn about the Mitch Daniels Early Graduation Scholarship at [LearnMoreIndiana.org/statefinancialaid](http://LearnMoreIndiana.org/statefinancialaid).

## ***Can I use my scholarship to pay for dual-credit classes while in high school?***

No. The scholarship is only available once you have graduated high school.

## ***If my GPA falls below 2.5 for a semester, will I lose the scholarship?***

You must achieve an overall, cumulative GPA of 2.5 or higher on a 4.0 scale upon graduation from high school. A cumulative GPA is the average of all your grades during all your semesters of high school. Even if your cumulative GPA falls below 2.5 some time during your high school career, you are still eligible for your scholarship as long as your GPA is at least 2.5 at the time of graduation.

## ***Can I receive the scholarship if I complete a high school equivalency exam (like a GED or TASC) or complete home school?***

No. You must graduate with a Core 40 diploma from an eligible high school recognized by the Indiana Department of Education.

## ***What happens if I don't complete the Scholar Success Program on time?***

You must verify you've completed the three grade-specific activities via ScholarTrack by June 30 of each academic year. Failure to complete your activities may put you at risk of losing your scholarship. You must complete all of the activities by June 30 of your senior year to be eligible to receive the scholarship.
